TAG Health presents the 3rd Annual

Health IT Career Fair

March 6, 2014

10 AM – 2 PM

Georgia State University

Student Center

The TAG Health IT Career Fair brings together experienced, highly qualified talent with HIT companies in Georgia, the nation's health IT capital. A post-fair survey showed that employers appreciated *"the abundance of a select group of qualified candidates with health IT related experience and skills."*

Please also join us for a Health IT Career Seminar with Resume Review and Job Search Prep on February 26

Who should participate?

- Healthcare providers, health insurance providers
- Health IT technology/data management firms
- Consulting and staffing firms supporting the health IT industry
- Academic institutions with health IT tracks or certification programs
