

Call for Grant Applications for the Kure It Underfunded Cancer Research Grant

Kure It is accepting grant applications from comprehensive cancer centers.

Kure It Cancer Research was established in 2007 with the goal of becoming the leader in granting funds to cancer researchers conducting innovative research projects to better treat and ultimately cure underfunded cancers. Kure It directly supports groundbreaking research at leading comprehensive cancer centers through its grants and awards.

PROGRAM SUMMARY

The proposed research project should be a new project intended to support clinical and translational work to advance the treatment approach to either **bladder, prostate, kidney, or pediatric cancer** that is not receiving significant funding from any other source. The applicant will need to justify "underfunded" in the context of cancer research and how the proposed research project fits that definition.

The funding decision will be made by the Kure It Medical Advisory Board in conjunction with the Kure It Board of Directors and Executive Director.

APPLICATION DATES

- Submission deadline: August 1st, 2021
- Decision date: August 15th, 2021
- Start of grant term: September 1st, 2021
