Petit Institute for Bioengineering and Bioscience

[AcademyHealth's Annual Research Meeting \(ARM\)](#)

**June 26-28th, 2016**  
Boston, MA

---

## More News!

### **Mark your calendars!**

Our *Student Symposium & Networking Nights* are wonderful opportunities for local healthcare professionals and students to come together to have open and honest discussions about improving healthcare knowledge, delivery, and services in our community. Our next event will feature students presenting on Interdisciplinary Educational Programs. The symposium will be followed by a Networking Night, which is an opportunity for students to meet with top professionals to discuss health-related careers.

Become a part of the discussion at our next event, which will be held in **April 2016** at RSPH, Emory University. Additional details and RSVP information will be available soon on our [website](#).

---

## Seed Grant Program 2016

### **Round 9**

The *Healthcare Innovation Seed Grant Program* funds multi-investigator, multi-disciplinary teams examining healthcare services and clinical effectiveness. The awards support innovative approaches that address issues of healthcare quality, costs, and/or access. The ninth round of seed grants awarded this spring were sponsored by HIP, ACTSI, the Winship
